## Celebration By the Sea 2011

OOB Rec.'s Gull Care Program participates each year in parade through our Town Square. Each year we decorate the float with a theme. Some of the past themes have been: Supporting Our Troops, Recycling, and The Season of Giving & Charity. This year we went with the slogan, "OOB Recreation...Fun In The Snow...No Place I'd Rather Go", which emphasized on healthy outdoor activities and sports. We feel this event starts the season off with great holiday spirit!
